RE: National poll results

Morning Consult conducted a national survey of 1,926 registered senior voters from February 15-19, 2016. Results from the full survey have a margin of error of $\pm 2\%$.

Senior's issues and Security are the top set of issues for seniors when casting their vote

Over a third of seniors (35%) say "senior's issues" is the top issue on their mind when they cast a vote for federal offices. Three in 10 seniors (27%) say security is the top issue, while two in 10 (23%) say economic issues are top on their mind when casting votes for federal offices.

Voters favor Medicare coverage of home-health services & oppose copayments

Nine in ten voters (90%) say they favor Medicare coverage of home-health services, while 2% are opposed to Medicare covering home-health services. Six in 10 seniors (58%) are opposed to health insurance copayments totaling \$100 each time a Medicare patient is prescribed home health.

Overall, six in 10 senior voters (59%) are more likely to vote for a candidate for president who opposes any cuts in funding to Medicare home-health benefits, while two in 10 voters (22%) say they are less likely, and one in ten 10 (11%) saying it would have no impact on their vote.
